

- 5** Tests on four samples from a mixture of biological molecules gave the results shown in the table.

test	boiled with excess Benedict's solution	boiled with excess Benedict's solution after acid hydrolysis and neutralisation	biuret reagent	iodine solution
result	blue	red	purple	yellow

Which biological molecules were in the mixture?

- A** reducing sugar and protein
- B** reducing sugar, non-reducing sugar and starch
- C** non-reducing sugar and protein
- D** non-reducing sugar and starch only
