

- 2 The diagram shows an electron micrograph of virus particles in a human nucleus.

What is the diameter of the labelled virus particle?

- A $1.5 \times 10^0 \mu\text{m}$
- B $1.5 \times 10^{-2} \mu\text{m}$
- C $1.5 \times 10^0 \text{nm}$
- D $1.5 \times 10^2 \text{nm}$
