

39 The diagram shows the immune response following infection by a virus.

Which row identifies the cells labelled E, F, G and H?

	E	F	G	H
A	B-memory cell	T-helper cell	T-killer cell	plasma cell
B	B-memory cell	T-memory cell	macrophage	plasma cell
C	plasma cell	T-memory cell	T-helper cell	B-memory cell
D	T-killer cell	B-memory cell	macrophage	T-helper cell
